Reference:<http://www.tricksguide.com/using-system-erase-utility-to-restore-server-defaultsettings.html>(see first and second paragraph)

NEW QUESTION: 3

Data sovereignty is a legal concern where the data is governed by the laws of the country in which the data resides. In this scenario the company does not want the data to fall under the law of the country of the organization to whom back office process has be outsourced to. Therefore we must ensure that data can only be accessed on local servers and no copies are held on computers of the outsource partner. It is important therefore to prevent cut and paste operations. Privacy concerns can be addressed by ensuring the unauthorized

- A. ...
- B. ...
- C. ...
- D. ...
- E. ...
- F. ...

Answer: B,D,E

Explanation:

Data sovereignty is a legal concern where the data is governed by the laws of the country in which the data resides. In this scenario the company does not want the data to fall under the law of the country of the organization to whom back office process has be outsourced to. Therefore we must ensure that data can only be accessed on local servers and no copies are held on computers of the outsource partner. It is important therefore to prevent cut and paste operations. Privacy concerns can be addressed by ensuring the unauthorized

users do not have access to the data. This can be accomplished through user access auditing, which needs to be reviewed on an ongoing basis; and source IP whitelisting, which is a list of IP addresses that are explicitly allowed access to the system.

NEW QUESTION: 4

Benchmarking is goal directed and promotes performance improvement by all of the following ways EXCEPT:

- A. Substantiating the need for improvement
- B. Creating objective measures of performance that are driven by industry leading targets instead of by past performance
- C. Providing an environment amenable to organizational change through continuous improvement and striving to match industry-leading practices and results
- D. Providing a customer internal focus

Answer: A
